## Richard Cork's five best London exhibitions

### ● ART-TUBE 01

Piccadilly Line, London Underground, until Dec 1  
(020-7918 4040)

THIS AMBITIOUS venture, involving 42 artists from across the world, takes an entire Tube train as its showcase. Each carriage of a Piccadilly line train displays two works by seven artists, who include Fiona Banner, Juergen Teller, Gavin Turk, Colin Self, Yoko Ono, Vivienne Westwood and Damien Hirst (above). An unconventional project, it was devised by the Canadian artist Gordon McHarg, who previously transformed a local bus with art in Montreal, the city in which he lives.
